Sir/Madam:

It is hereby requested that a Certificate of Correction be issued with respect to Patent No. 7176087B2, granted February 13, 2007, in accordance with the Certificate of Correction form attached hereto.

It is noted that an error appears in this patent of a typographical nature of character, as more fully described below. The error occurred in good faith. Correction thereof does not involve such changes in the patent as would constitute new matter or would require re-examination.

The exact page and line number where the error occurs in the application file is:

The other error listed on the Certificate of Correction form was apparently incurred through the fault of the PTO as will be disclosed by the records of files in the Office.

Attached hereto is Form PTO-1050, which is suitable for printing.

The Commissioner is hereby authorized to charge the specified fee under 37 CFR §1.20(a), which may be required by this paper, to Deposit Account No. 23-0925.

Respectfully submitted,
